Name :

Date :

Surname :

This questionnaire is designed to help you better understand the activities that have been helpful to you during your career counseling process. Below, you will find a list of interventions that may have been used during the career counseling process. Please indicate how helpful each intervention was to you (not at all helpful, somewhat helpful, or very helpful), or indicate if it was not used, by checking the appropriate box.

	Not at all helpful	Somewhat helpful	Very useful	Not used
